## Weather Awareness

We are in the season when weather can affect our ability to make it to school safely. Here is some basic info and guidelines: School will not be dismissed during our school day, as long as it's feasible for students and staff to remain at school safely. School cancellation announcements will be broadcast on the local news stations, sent out in an automated call and text, and on our district Facebook page.

# Cold weather has arrived!

Please make sure you're sending a coat to school with your child. They play outside at recess when the temps are above freezing, and we have students coming without anything to wear. If your child is in need of a coat, hat, or gloves, please reach out and we will provide.
